

Basketball Stadium Carpark safety measures.

Park cars in rows, nose in first. Drive out once students are safely away from your car.

Allow students to walk in front of your car safely towards the fenceline (following red arrows).

Students should walk along the fence line towards the marked gateway.

Cars parked along the front fence need to reverse out of their spots, please leave room and continue to practice extreme care when reversing.

Please do not park in front of the gate where the students enter the carpark in the afternoon or on the nature strips outside the stadium carpark.
