

13 February 2023

Dear Business Owner/Resident,

Narre Warren – Cranbourne Road Upgrade

Spirit Boulevard intersection closure: 26 February to mid-April 2023

We're building extra lanes and upgrading intersections on Narre Warren-Cranbourne Road to make it quicker, easier, and safer to get to where you need to be.

What we're doing

Following the completion of the new signalised intersection at Narre Warren and Thompsons roads, the next phase of the works involves an upgrade of the Narre Warren-Cranbourne Road and Spirit Boulevard intersection. We'll need to close the Spirit Boulevard intersection to undertake underground utilities relocations and widen the lanes to create a safer, higher capacity intersection.

The intersection will be closed between Narre Warren-Cranbourne Road and Marshy Avenue from **Sunday 26 February to mid-April 2023**. Traffic will detour via Linsell Boulevard. Traffic will not be impacted along Narre Warren-Cranbourne Road but reduced speed limits will be in place.

What to expect

Crews will be working from **7am to 11pm, seven days per week** to complete the intersection works as soon as possible. If you feel you may be impacted by nightworks please contact us, we may be able to help.

An increase in traffic on the roads surrounding Narre Warren-Cranbourne Road and Spirit Boulevard is anticipated. Please observe signage for information about traffic changes, detours and speed reductions. Please also follow traffic controllers' instructions – they are here to keep you and our workers safe.

An increase in construction machinery, noise and dust is expected. Mitigation measures will be in place with the regular use of water carts and street sweepers to reduce dirt and debris on the road.

Regular noise and dust monitoring will be undertaken to ensure we remain within acceptable limits.

Changed traffic conditions - Spirit Boulevard

From **26 February 2023 until mid-April 2023**, Spirit Boulevard will be closed at the Narre Warren-Cranbourne Road intersection. Detours will be in place via Linsell Boulevard, Cornwell Crescent, Fernisky Drive and Dartmoor Drive. Please see the detour route maps overleaf.

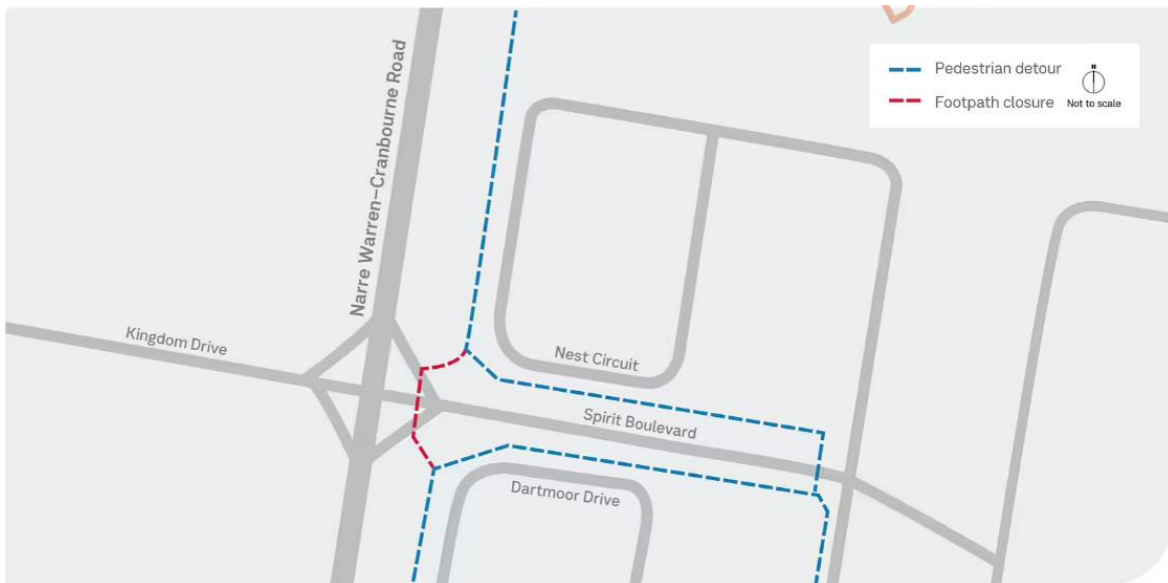

Minor delays of less than 5 minutes are expected so please allow for extra time for your journey when travelling through the local area and drive carefully in residential streets.

Vehicle detour route

Pedestrian access change

Pedestrian detours will be in place. Pedestrians are asked to follow the detour signage during these works.

Stay informed

We'll send out regular updates to keep you informed of works. If you have questions about these works please call our helpline on **1800 105 105** or email contact@roadprojects.vic.gov.au

To sign-up for email and SMS updates, please visit roadprojects.vic.gov.au/subscribe or text "NWCR" to **0499 073 073**. For more information about the project please visit roadprojects.vic.gov.au/nwcr

Kind regards,
